

REMARKS/ARGUMENTS

In this response, Claims 1 and 2 have been amended. No claims have been canceled or added. Thus, Claims 1-5 remain pending in the present application.

The Examiner indicated that the application contains claims directed to six patentably distinct composition species. Accordingly, applicant elects

for prosecution on the merits. The claims have been amended accordingly. Applicant reserves the right to file divisional applications for the non-elected species.

CONCLUSION

It is believed that all claims now pending patentably define the subject invention over the prior art and are in condition for allowance. Applicants respectfully request that the claims be allowed and earnestly solicit favorable action at the earliest possible date.
